

NEW CURVED WALK-IN WITH TWO WAY THERMOSTATIC SHOWER CONTROL

FINISH: Celtic Silver

FRAME: High-lustre anodised aluminium with chrome plated details

GLASS: 6mm clear curved safety glass

HEIGHT: 2140mm, including shower tray

FEATURES:

- Available in two sizes including corner and recess options
- New innovative integrated two-way control mixer technology with thermostatic mixer/diverter on attractive column*
- Choice of luxury teak or matt white decking
- The safety glass is located inside the shower tray eliminating the need for silicon sealant along the base of the surround, therefore retaining its clean look
- Innovative sealed access beneath decking for easy installation and maintenance
- 220mm round Easy Clean shower head and co-ordinating hand shower
- Integrated tiling upstand for secure installation
- Concealed Fastflow shower waste

ADDITIONAL INFORMATION:

Shower mixer connections proved underneath the shower tray for easy plumbing | Please specify *left* or *right* hand entrance | Please specify choice of decking, teak or matt white acrylic | The Deluge shower head performs best with min 0.5 bar water pressure systems

The Walk-In design will contain most shower spray during normal use. Some spray may extend beyond the entrance and we recommend tiling of the adjacent area.

* Patent applied for
